IMPORTANT NOTICE

TO ALL APPLICANTS

We understand that many people want to receive feedback quickly after applying for job opportunities.

We would like to explain why the process sometimes takes longer than expected.

We do not rush the process because we care about getting it right. ♥

HOW DOES THE PROCESS WORK?

IMPORTANT TO NOTE:

We receive many applications daily

Every employer has different requirements

Some processes move faster than others

We cannot guarantee immediate placement

NO NEWS DOES NOT MEAN YOUR APPLICATION IS UNSUCCESSFUL.
Many times we are still waiting for feedback from employers or documentation.

We kindly ask for your patience and respect towards our team as we work hard to assist every candidate professionally.

Thank You! ♥
